

Friendship means using your words and actions to show others you care.

Read Ecclesiastes 4:9-10

DAY
1

A Good Friend Is . . .

All month long we are talking about friendship which is using your words and actions to show others you care. Flip over this page and color the picture of the two friends. As you are doing this, think of all the things you like about your friends. Write or draw these things all around the picture. Try and fill up as much space as you can!

Know that God wants you to choose good friends!

DAY

Two Are Better Than One

This week we learned all about friendship and how God wants us to have friends. **Ask an adult to help you look up Ecclesiastes 4:9-10.** These verses tell us that two people are better than one. They can help each other with everything. Can you think of something that is much better when you do it with someone else? Perhaps playing hide-and-go-seek or Go Fish? We are not meant to do things alone all the time. Friends make life better! Take time to say the prayer below. After, invite someone to play a game with you.

Dear God, Thank You for the friends that I have in my life. Help me to be a great friend to them. Amen.

Look at God's creations all around you.

DAY
3

Be A Good Friend

Grab a piece of paper and some crayons. At the top of the page rainbow-write the words **GOOD FRIEND**. Then, I want you to divide your paper into three different parts and write one word in each section: **SCHOOL, PLAYGROUND, NEIGHBORHOOD**. I want you to think of a way that you can be a good friend at **SCHOOL**, on the **PLAYGROUND** and in your **NEIGHBORHOOD** and draw a picture showing it.

Look for ways that you can be a good friend this week.

DAY

Attract Friends

Ask an adult to help you gather a balloon, some scrap paper, and a marker. Tear the paper up into tiny pieces and place it on a flat surface. Now have an adult blow up your balloon, tie it, and draw a smiley face on it. Rub the balloon on your head for about 30 seconds and then roll it over the tiny pieces of paper. **What happens?** The tiny pieces of paper (friends) are attracted to the balloon (YOU)! It's the same way with friendship. When we are a good friend to others, they are attracted to us and want to be our friend as well!

Ask God to help you attract the right kind of friends.

Choose your friends carefully.
